

Louisa Ge

Morganville, New Jersey | (732) 939-7172 | louisa.shan.ge@gmail.com | www.linkedin.com/in/louisa-ge

- PROFILE -

Designer turned front-end web developer passionate about creating dynamic, interactive, and visually exciting projects. Has over 5 years of experience in design and 3 years of coding experience/training.

- EDUCATION -

HARVARD EXTENSION SCHOOL - Cambridge, MA

Master of Liberal Arts in Digital Media Design

09/2020 – 05/2023

RELEVANT COURSEWORK: Web Programming using JavaScript, Design Principles in React, Modern and Mobile Front-End Web Design II, Web Programming with Python and JavaScript, Introduction to Artificial Intelligence with Python, Introduction to Mobile Application Development Using Swift and IOS, Designing and Developing a Relational Database, Visualization, Visual Communication Design, Designing Educational Media

PROJECTS:

- **Interactive Storytelling React Project:** In collaboration with a client, the project utilizes React tools, such as hooks and functional components, as well as cookie storage and CSS animations to create a multi-page application that showcases an interactive story centered around mental health and bad behavior. This project served as my degree capstone.
Link: cookie monsters.netlify.app
- **Team Data Visualization Project:** Worked with a team to design and code a data visualization website using D3.js and JavaScript. The project was centered around the highly anticipated Animal Crossing New Horizons game update and creating infographics based on data gained from scraping Twitter's API.
- **Podcast Archive Project:** Created a social cataloging website that uses Django to build an API that handles informational inputs by users to review, rate, and archive podcast episodes and create customized lists.

- EMPLOYMENT HISTORY -

ABIGAIL LEWIS - New York, NY

Lead Glass Design Intern

06/2017 – 10/2018

- Engineered 10 wearable glass art pieces that serve as the brand's core-identity fashion collection and streamlined the development process resulting in an efficient model of execution for future brand employees. The pieces have been featured in magazine publications, such as GAYLETTTER and worn by various musical artists, such as Tinashe, continuing to be forefronted and integral to the publicity of the brand.
- Partnered with a local factory to produce thousands of couture glass tube beads.
- Expedited the production of a performance art debut featuring local NYC performance artists resulting in a successful exhibition with an attending audience of over 60+ people, including industry professionals.

CHOP SUEY CLUB - New York, NY

Shop and Brand Intern

05/2017 – 11/2017

- Forecasted and researched new designers or products to bring into the shop.
- Handled web email campaigns, shop inventory, shipping, and customer service.
